ABOUT US

HOW WE SERVE

VTF Torch Scholarships
Provides financial aid for higher education to all Active Unit Members (AUM), VTA Members in good standing (e.g., lifetime members or members whose dues have not yet expired), and their dependents.

Family Maintenance & Resilience
Provides financial support for AUM/VTA Members and their dependents, to include summer programs, school trips, and financial aid during critical situations.

Emergency Relief
Provides support for AUM/VTA Members and their dependents for expenses that may or may not be supported by other relief agencies and/or programs.

Social Activity Support
Provides a means for Former Unit Members (FUM) to remain connected to the Unit and other members by becoming involved with and participating in VT events, including golf tournaments, reunions, and other organizational events.

HOW YOU CAN HELP

Become a Donor
There are various ways to donate, from providing financial aid to donating your time by volunteering or hosting VT events. You can help us support the mission.

Support on Social Media
Participating in a Vigilant Torch event, such as a reunion or a golf tournament? Spread the word by sharing your involvement on social media.

Become a Member
We constantly accept new members. First, go to our website at vigilant-torch.org to see if you are eligible. Then apply online or by mail.

DONATIONS ARE CRITICAL
All donations made to either the Vigilant Torch Association (VTA), a 501(c)19, or the Vigilant Torch Foundation (VTF), a 501(c)3, are fully tax deductible from federal income tax under internal revenue code 170(c)3.

We ask you please consider:

Vigilant Torch Association (VTA)
If you prefer your contributions are fully directed towards our endeavors tailored to supporting Former Unit Members, Active Unit Members, and their families in times of need, but not higher education, please donate to the Vigilant Torch Association.

Vigilant Torch Foundation (VTF)
If you’re an individual or a corporation whose charitable contributions benefit from matching funds, we respectfully request you strongly consider making your donation to the Vigilant Torch Foundation, a 501(c)3. Your generous act and that of the matching fund contributor enables both the VTA and VTF to have the maximum impact on those we support.

SCHOLARSHIPS
CREATING OPPORTUNITY

In the first two years of the Vigilant Torch scholarship, we competitively awarded $52,000 of tuition aid each year in 2017 and 2018, benefitting a total of 49 students. Help us reach our goal of $80,000 of scholarships in 2019.

MEMBERSHIP
BENEFITS OF JOINING

At the VTA, we work hard to provide our members and their dependents with financial and moral support in times of need. By joining Vigilant Torch, you gain a network of extended family who will help carry the load when the burden becomes too heavy to manage alone.

Check out the types of memberships we offer online and apply today at vigilant-torch.org!
